When we purchased this bull, Les Mathers said, "A remarkable bull. He has probably the most weight for age of any bull we have bred since Dreadnaught Clansman, and coupled with it he has a grand head, straight lines, tremendous depth and a fine set of rugged legs." He was a first prize winner at the following shows: Wisconsin, Ohio, Indiana, Kentucky and Omaha shows — there were 42 bulls in his Omaha class. His sire, Glassingall Research is a 3 time International First Prize Winner. The females we are selling will either have calves at foot or be safe in calf to this outstanding bull.

**C.W. Fenstermaker sells nine outstanding brood cows with calves at foot or close to calving to the services of Leveldale Counsel.**

## STAY IN THE BEEF CATTLE BUSINESS

The wise cow man is making plans to improve the quality of his present breeding herd whether it be purebred or commercial. Those who don't own a cow herd today will find it profitable to establish one NOW so that they will be in a position to cash in on a profitable cattle market that lies ahead.

Whether you want to produce purebreds, straight commercials or cross breds, you can fill your needs in the Tyler Sale. Ten of the bulls offered are two years or over, seventeen are strong yearlings to two years and four are junior calves.

There is real opportunity in the females offered too. Eight cows with big husky calves at foot, sixteen bred cows and heifers and eight open heifers.

*Attend the East Texas Fair* and see the breeding classes of Shorthorns judged at 8:00 a.m. on September 17th. See the sale cattle judged at 8:00 a.m. on the 18th and buy them in the sale starting at 1:00 p.m. on the same day. Will gladly answer any letters seeking more information on this grand offering.
